

Movie Club Hosts First Screening at SSCTU, Mulugu

The Movie Club at Sammakka Sarakka Central Tribal University, Mulugu, held its inaugural screening on November 23, 2024. Faculty and students gathered to watch *The Bicycle Thieves* (1948), the acclaimed Italian neorealist film directed by Vittorio De Sica. The screening was followed by a short discussion, where participants reflected on the film's portrayal of poverty, human resilience, and the socio-economic struggles of post-war Europe. The event marked a promising start to the club's initiative to engage students with meaningful cinema and foster critical thinking through film appreciation.
