

National Mathematics Day Celebrated at SSCTU, Mulugu

National Mathematics Day was celebrated at Sammakka Sarakka Central Tribal University, Mulugu, on December 22, 2024, to commemorate the birth anniversary of the renowned mathematician Srinivasa Ramanujan. Conducted by the faculty and staff of SSCTU, the event aimed to promote mathematical thinking and awareness among students. The celebration included a brief introduction to Ramanujan's life and contributions, followed by a lively Mathematics Quiz where students enthusiastically participated in solving puzzles and challenging problems. The event inspired analytical thinking and highlighted the joy of exploring mathematics beyond the classroom.
