Sub: Constitution of Logo Design Committee - reg

Sammakka Sarakka Central Tribal University was established in 2023 to provide quality educational opportunities in the backward region of Telangana and contribute to its development.

The selection of Mulugu for the establishment of the university was taken after due diligence. The Central Tribal University has been named after Telangana's deities and the entire tribal and Adivasi fraternity of the nation, Sammakka and Saramma, who epitomised valour, compassion, and sacrifice. Further, the Mulugu region of Telangana has many tribal and Adivasi habitations.

Sammakka Sarakka Central Tribal University is indeed a boon of the union government to change the face of the region by empowering Telangana students in general and students belonging to the Adivasi communities in particular with quality education.

A university established with such a lofty vision needs a logo that becomes its quintessential identity. The logo should also reflect the cultural legacy of the region and remain an inspiration for future generations.

In this context, the SSCTU constitutes a committee which consists of three eminent scholars who have nuanced understanding of the Telangana culture in general and the tribal and Adivasi traditions in particular.

The committee will help the university develop a logo.

The following are the members.

1. Prof. Kasireddy Venkat Reddy, Retired Professor of Telugu and a scholar of Telangana folklore
2. Prof. Jayadheer Tirumala Rao - A renowned scholar of Adivasi and Tribal traditions
3. Prof. K Narayana, Professor of Zoology, Kakatiya University,

Dr. Vamshi Krishna Reddy, OSD will be the member convenor.
