Rescheduling of Certificate Verification/Reporting of Admitted Candidates

Dear Students,

Greetings from Sammakka Sarakka Central Tribal University (SSCTU), Mulugu.

The University had initially scheduled the certificate verification of all admitted candidates on 24 August 2026, with the commencement of the academic session scheduled for 3 September 2026.

In view of representations received from students from different students regarding logistical difficulties arising due to the gap between the certificate verification date and the commencement of classes, the University has decided to reschedule the certificate verification process to **2 September 2026**.

The commencement of the academic session will remain unchanged and will begin on **3 September 2026**, as announced earlier.

Accordingly, all admitted candidates are requested to take note of the revised certificate verification date and plan their travel accordingly.

The University looks forward to welcoming all the students to SSCTU and wishes them a fruitful and successful academic journey.
